That Warraw Road Bound to be Bufft.

Things have begun to look bright again. The Bazoo has had its blues enalled, and once again begins crowing for Sedalia as cock of the walk.

A railroad meeting was held in White's hall last night, and the result will be the early building of the road.

The meeting was called to order by Mr. Cyrus Newkirk, who explained fits village and hamlet, pedestrianism has that the object of the meeting was to city, village and hamlet, pedestrianism has device ways and means whereby the held high carnival, and the place that could responsible citizens of the town could not boast of its walking match was considered guarantee to Mr. McPhomon, the contractor, the amount of the city and county subscription to the Sedalia and cluded that she, too, must have Warney road, as well as make arrangements to cover any deficiency that may occur on account of any of the subscribers to the fund failing to come to of this city, ardent admirers of such sport,

as to the most feasible plan to pursue, plete the many arrangements incident to but on the main question, that the the contest, they went about it with a will, completion, the meeting was unani- whom they desire to return thanks. mone. A letter was read from Capt. McPherson hoping that at the meeting all obstacles to the early comple-tion of the road would be removed, and asking that a telegram be sent him in lows. He offers to return immediately and begin work.

We, the undersigned, hereby guarantee to the Stelelia, Warney and Southern Railway Company that the sum of fifty-five thousand dollars shall be paid to said Comof said Company made in Pettie county, and agree that we will severally pay to said Company our pro rest part of any deficit that may be found to exist in such payment of said subscriptions; provided, that the content of said subscriptions; provided, that the content of said subscriptions and, provided, that this built and in operation to the southers like of Pettie county, at which terms the subscription; a leather medal, bear-amount of the deficiency shall be necessarily and answered every pursue to be obtained, and answered every pursue to the subscriptions any thought at the outset would be unable to make over six or seven miles. As it was announced by the referee, a loud shout was announced by the referee, a loud sh
